

# JDF Fields Diagram

Field sectioning applies to all 3 JDF fields after 7pm.

U13 and above we will try to allocate one third of the field (ie: East AB). If there is no third team practicing, you can expand your practice to absorb the unused portion of the third on that half of the field.

U12 and younger teams will be allocated 1/6 of the field (ie: West B) and can divide any unused portions of the field with adjacent teams on practice night.

All practices begin and end on the even hour and no team is to occupy a field beyond their allotted time. Teams wanting more than a one hour practice must use/share off field areas.
