

Coaching Courses for Female Coaches – Grade 10, 11 & 12.

Hello JDF female coaches!

We would like to ensure you have received the information on the upcoming *She Kicks* coaching program for girls in grades 10, 11 and 12.

If you coach for the JDF youth program next year we will be offering you a **coaching credit on your registration fees** as well as a **\$200 or \$300 youth coach bursary** depending on the age of the team. There are many young teams in need of coaches and these players really enjoy having older youth players as their mentors. Often, young coaches will co-coach with a friend or a team mate... so if you are interested—why not see if one of your team mates would like to join you on these courses?

Volunteer hours? If you are looking for volunteer hours for your school or other endeavours, we can help you achieve this goal; this always looks good on a resumé and on University/College application!

Also, these coaching courses are a fantastic way to get started with your coach education.
