

CALLING POTENTIAL SPONSORS!

The Juan de Fuca Soccer Association is looking for sponsors for the 2017/2018 season to help us thrive and grow as a community sports club. We have many new initiatives that will enhance our club and directly benefit JDF soccer players.

Sponsoring the JDF Soccer Association is a great way to support and give back to your local community. Your contribution will help us maintain a first-rate club that all players will want to be part of, as well as directly impacting these players in a healthy and active lifestyle.

By being a sponsor you'll have the opportunity to expose your business to thousands of individuals in and out of the community. Some of the many benefits of sponsorships may include: Website advertisement, Social Media mentions, company banner displayed at local events, and company logo on our storage box.

If you would like to learn more about our various sponsorship packages, please contact our JDF Soccer Association - Director of Projects: Keith Haigh at jdfsoccerprojects@gmail.com
